From Dubble Agent

“Isn’t it funny how having a piece of chocolate can put a smile on your face – but wouldn’t it taste all the sweeter knowing that the people who made it were smiling too? Go for Dubble! Make it Fairtrade.”
- Freema Agyeman, star of Dr Who and Torchwood

® When you see the FAIRTRADE Mark on a product, it means that farmers in developing countries have been paid a fair and stable price for their crop.
